

WALS2012 will be hosting a social function on the 29th of November at the Gardens by the Bay – South Bay Garden. Gardens by the Bay is a gem on the "necklace of attractions" at Marina Bay, not to be missed! The Bay South Garden is a lively and vibrant garden which showcases the best of tropical horticulture and garden artistry, with a mass display of tropical flowers and coloured foliage. Enjoy the evening tour and explore the beauty of nature at the Flower Dome conservatory; the 18 Supertrees at the Golden Garden, Silver Garden and Supertree Grove; the Heritage Gardens; The World of Plants; and the Dragonfly and Kingfisher Lakes. As night falls, be mesmerised by the choreography of light and sound show at the Supertree Grove, accompanied by a series of interpretive media and narratives that bring to life the story of plants.

Fees of Social Function: S\$50
